INTRODUCING IPSF ACE ONLINE!

Explore interests and discover passions after school from home! IPSF's ACE Online program offers enrichment classes that allow students in grades 1-12 to connect with instructors and classmates in a virtual, live classroom. Classes are kept small to maximize the experience for all students.

Winter classes start November 30. Each day of the week, Monday - Friday, offers different subjects from coding to cartooning to SAT test prep and more!

Registration: November 4 - 22
